

Business in Colour Awards

Sponsorship Guide

The 2026 Business in Colour Awards celebrate workplaces driving real change in racial and cultural equity across Australian organisations.

Culturally rich and vibrant, featuring a moving keynote, unforgettable cultural performances and diverse cuisines from around the world.

The Awards set the benchmark for anti-racism across Australian workplaces, centering both, First Nations people, and racially and ethnically diverse professionals throughout all aspects of the night. Join us in igniting the movement for change.

Join 300+ leaders from across public and private sectors.

MINDTRIBES

Lead The Change. Become a Sponsor.

We are seeking sponsors to back this vision. This is your opportunity to make a public commitment to anti-racism and help shift workplace culture at scale.

As a sponsor, you'll drive a national movement to embed racial equity across Australian workplaces. Your leadership will set the standard and amplify the organisations doing the work.

Together, we will build workplaces where no one is racialised or excluded.

**Join us as we build an
anti-racist Australia,
together.**
